

## **November 2013 Technical Meeting**

### **Alarm Management Boot Camp**

Join us on November 19<sup>th</sup> as we learn from **Paul Berwanger - MAVERICK Technologies** about Practical Deployment of Alarm Management.

Hear firsthand insights from one of the industry's top alarm system experts. He will share his best start-to-finish strategies for getting your alarm management system up and running.

Paul has his BSChE, BS Marketing, and 30+ years industry experience. He has global expertise in Process Safety Management, Alarm Management, Project Management, Operations, Process Optimization, and HP HMI.

#### **Technical Meeting Topics to be Covered:**

- Elements of good alarm systems
- Establishing your alarm philosophy
- Obtaining project approvals
- Assigning team roles and responsibilities
- Implementation – getting it done!
